

THE FLIGHT CREW

BACKLINE RIDER

All equivalent substitutions to the list below must be approved by Flight Crew management at least 30 days prior to engagement.

Vocals, Horns, and Violin Microphones

- Vocalists will provide their own microphones. Typically, the band travels with AKG D5 vocal microphones. Boom and straight microphone stands and XLR cables are required. (see Stage Plot)
- Horns will provide their own clip-on condenser microphones. Typically, the band provides Shure WB98H/C microphones. Xlr cables are required. Straight microphone stands are required for iPads.
- Electric violins will provide their own built-in microphones. They will require D.I. boxes and XLR cables.

Drums

- Drum shells
 - Standard 4-piece drum set. Preference for something deeper sounding. Maple, oak, or poplar are great for this. No birch drums.
 - Gretsch drums catalina maple 4-piece shell pack in satin deep cherry burst color. This should include:
 - 22" x 18" bass drum
 - 12" x 9" tom
 - 16" x 16" floor tom
 - 14" x 6" snare drum
- Drumheads
 - Bass drum should have a Remo powerstroke 3 coated bass drum for batter, Remo powerstroke 3 ebony with port hole for resonant head.
 - Rack and floor toms should have Remo ambassador batter heads on top, and Remo ambassador resonant heads on bottom.
 - Snare drum should have a Remo ambassador batter head on top, and Remo ambassador hazy snare side head on bottom.
- Road Runner drum rug, minimum 5.25' x 6.5'
- Roc n Soc hydraulic drum throne
- Pearl eliminator demon chain drive bass drum pedal
- Mapex armory series s800 snare drum stand
- Tama speed cobra lever glide hi hat stand
- Vater muti pair stick holder
- 3 DW 5700 heavy duty boom cymbal stands
- Evans EQ pad bass drum muffler
- Pack of 6 moon gels
- 2 pairs of Promark 5A shira kashi oak sticks
- Rack tom mount and floor tom legs/mount that normally comes with drum set
- Cymbals, From left to right:
 - 14" Zildjian a series hi hats
 - 20" Zildjian k crash/ride
 - 21" Zildjian k organic ride
 - 20" Meinl byzance dual series crash/ride
- This list assumes supply of all necessary stands for drums. This list assumes all necessary microphones and microphone stands, including microphones for overhead and hi-hat coverage.

Bass

- Amp and Speaker Cabinet
 - Bass head to be modern 800+ watt amplifier with integrated eq, mute, pad, and DI out for sound engineer. Acceptable brand names are Gallien-Kruger, SWR, Trace Elliot, Hartke, etc. Ampeg is not acceptable.
 - Bass speaker cabinet to be a 4x10, matched with the amplifier manufacturer.
 - Include speaker, instrument, XLR, and power cables.
- Upright/Double/Contra Bass Viol
 - This show features an upright bass. This bass should be either 3/4 or 7/8 size and should be rented from a reputable owner/shop/college who maintains the instrument in good working order. The performance will be based more on jazz and rockabilly styles than orchestral.
 - A bow is not required.
 - The bridge should be adjustable as a low action is required.
 - It is preferred that the bass be supplied with pickups/preamp for integration into the sound system.
 - The endpin should have an endpin cover or floor stop-it, in case there are floor protection requirements in place.

Guitar

- Amp/Speaker Combo on angled amp stand
 - Fender Deluxe Reverb, Twin Reverb, Blues Deluxe, or similar model on angled amp stand.
 - Adjacent 110v US style power outlet for pedal board as shown on stage plot.

Keys

- Keyboard 1
 - Nord Stage 3 Hammer action 88 key (weighted action) or Nord Electro 76 key (synth-like action).
 - Provide with associated expression and volume pedals.
 - Provide with Liquid Stands heavy duty adjustable keyboard stand.
 - Provide with On-Stage scissors, folding adjustable Duet bench and standing-height stool.
 - Roland KC 550 amplifier with associated audio and power cables.
- Keyboard 2
 - Viscount Legend Hammond. Provide with associated expression and volume pedals.
 - Provide with Liquid Stands heavy duty adjustable keyboard stand if unit is not self-supporting.
 - Provide with On-Stage scissors, folding adjustable Duet bench and standing-height stool.
 - Leslie 3300 with 11 pin connector cable and all other associated audio and power cables.
